

GLAZING CERTIFICATE

Barrier, balustrade or fence (including pool)

Approval No: _____ DA: _____ CC: _____

Property address: _____

Note 1 Glazed system where used in this certificate refers to all glass, framing, supports, associated fixings, etc used in the project being certified

Note 2 The Building Code of Australia (BCA) no longer refers to the term 'balustrade', as a balustrade is a *form* of barrier.

Note 3 Where a pool fence is between a change in surface level of 1m or more, additional BCA and AS 1288 certification may be required

tick appropriate boxes below:

The installed	<input type="checkbox"/> glazed system - barrier	<input type="checkbox"/> glazed system - pool fence	
To the	<input type="checkbox"/> stairway	<input type="checkbox"/> ramp	<input type="checkbox"/> hallway
	<input type="checkbox"/> balcony	<input type="checkbox"/> deck/verandah	<input type="checkbox"/> pool surround
Or specify other location - _____			

Complies with -

AS 1288 (Including Sections 3/7, where relevant, to balustrades including Clause 2.3.3 and Section 3)

AS 1926.1

OR

Part 3.9.2 of the NCC BCA Volume 2

AS 1170.1
